

G20 Fieldwork

Personal learning checklist | 1 of 2

GCSE AQA Geography 8035 | Paper 3 | Core topic

Name _____ Class _____ Date _____

Tick one box for each statement. Red: need help. Amber: partly confident.
Green: can do independently.

Use your actual school enquiries and results.

I can	Red	Amber	Green
Own enquiries and planning			
Describe both actual enquiries' titles, locations, contrasting environments and physical-human connections.	☐	☐	☐
Formulate a focused geographical question or hypothesis supported by theory and suitable sites.	☐	☐	☐
Select and justify primary, secondary, quantitative and qualitative evidence and pilot work.	☐	☐	☐
Safe and representative collection			
Explain fieldwork risks, controls, ethical participation, permissions and environmental care.	☐	☐	☐
Compare random, systematic and stratified sampling and justify sample size and coverage.	☐	☐	☐
Design consistent recording sheets and distinguish accuracy, reliability, resolution and systematic error.	☐	☐	☐

I can	Red	Amber	Green
Physical and human methods			
Describe and justify relevant physical methods, including measurements, calculations, controls and limitations.	☐	☐	☐
Describe and justify relevant human methods, including counts, land use, quality scores, questionnaires and interviews.	☐	☐	☐
Presentation and analysis			
Process data transparently and choose, construct and justify suitable graphs, maps or photographs.	☐	☐	☐
Analyse patterns, spread, anomalies and relationships using values, statistics and geographical explanations.	☐	☐	☐
Compare primary findings with secondary evidence, considering dates, boundaries and methods.	☐	☐	☐
Conclusions and evaluation			
Reach an evidenced conclusion answering the original question and assessing the hypothesis.	☐	☐	☐
Evaluate methods and conclusions, linking limitations to effects and specific improvements or further data.	☐	☐	☐
Apply the enquiry process to unfamiliar fieldwork without inventing personal results.	☐	☐	☐
